EVALUATION CERTIFICATE IN RESPECT OF MODERN AMMONIA REFRIDGERATION (PRIVATE) LIMITED

References:

- A. Public Procurement And Disposal of Public Assets Act (Chapter 22:23).
- B. Public Procurement And Disposal of Public Assets (General) Regulations 2018 SI 5 Of 2018.

According to references 'A' and 'B' above, all prospective bidders shall be evaluated to determine their eligibility to participate in procurement proceedings. The following matters shall be considered:

- a. The bidder posses the necessary professional and technical qualifications and competence, financial resources, equipment, facilities, personnel and experience to perform the procurement contracts.
- b. That they have the legal capacity to enter into the procurement contracts.
- c. That they are not insolvent.
- d. That they have paid all taxes, duties and rate for which they are liable.
- e. That they are eligible to participate in procurement proceedings on Instructions from the Procurement Regulatory Authority of Zimbabwe.

An evaluation team from the ZNA that recently visited your premises found that you are eligible to participate on ZNA contracts for the supply and delivery of **refridgeration and air conditioning** in terms of reference 'A' and 'B' above.

It is now mandatory in terms of Section 4 of reference 'B' above that all companies that wish to participate in any Government tender should be registered with **PROCUREMENT REGULATORY AUTHORITY OF ZIMBABWE**. You are therefore encouraged to participate on tenders advertised periodically through the press by the ZIMBABWE DEFENCE FORCES and other Public Institutions.
